

Call for Papers

International Journal of Natural & Social Science

A Leading Journal of
the *International Association of Natural & Social Science*

Introduction

The *International Journal of Natural & Social Science* (hereafter *IJNSS*), is the leading journal under the young, dynamic and internationally recognized *International Association of Natural & Social Science (IANSS)* based in Canada, which is committed to creating an optimal environment for learning and pursuit of knowledge in the area of natural and social science.

The *IJNSS* publishes scientific communications, research reports, perspectives, mini-reviews, and conference papers in all areas of natural and social sciences. In summary, the *IJNSS* is a new but promising general science journal with a broad scientific audience worldwide, and a worldwide acclaimed quality.
